

Police and Crime Commissioner for Gwent Decision	
PCCG-2018-019	Police and Crime Commissioner for Gwent Decision
Subject	Police Commissioner's Local Policing Area Positive Impact Fund Allocation 2018
Summary	To record the decision of the Police and Crime Commissioner regarding the establishment of a Positive Impact Fund (PIF) for the two force Local Policing Areas for use during the current term of office.

DECISION

1. **Previous publication of Decision number PCCG-2013-123 confirmed the intention to establish a recurrent fund (the Positive Impact Fund) of £10,000 to be distributed at the discretion of the Police and Crime Commissioner to assist my office in the delivery of the Police and Crime Plan priorities.**
2. **Due to the beneficial impact of this funding I have decided to provide funding totalling £20,000 to the Local Policing Area's (LPA's) to set up their own Positive Impact Funds to further assist in the delivery of the Police and Crime Plan priorities.**
3. **Each LPA will be apportioned £10,000 out of my budget to distribute at the LPA Superintendents discretion in accordance to the same principles as the existing PIF run via my office. Each LPA will be expected to comply with the same process and provide an annual expenditure report for review by my office at the end of each financial year for audit and transparency purposes.**
