| PCCG-2019-024 | Police and Crime Commissioner for Gwent Decision Session |
| Subject | Police Commissioner's Local Policing Area Positive Impact Fund Allocation 2018/19 |
| Summary | To record the allocation of funding for the two force Local Policing Areas out of the Positive Impact Fund that the Police and Crime Commissioner established in 2018/19. |

DECISION

1. Previous publication of Decision Log number PCCG-2018-019 confirmed the intention to establish a Positive Impact Fund in each of the Local Policing Areas (LPA's). Funding of £10,000 was awarded to each LPA on the understanding that awards could be granted for projects that are able to demonstrate a positive impact on the communities they serve, whilst at the same time contributing to delivering the Police and Crime Plan priorities.
2. Funding was provided to a number of projects during 2018/19, a list of which can be found at Appendix 1. These grants have been distributed throughout the year.
3. It is my intention to run the process again throughout 2019/20
