**DECISION**

- The Police Reform and Social Responsibility Act 2011 provides under sections 9 and 10 that the Police and Crime Commissioner for a police area makes crime and disorder grants and acts in co-operation with responsible authorities and makes arrangements with criminal justice agencies for the exercise of functions so as to provide an efficient and effective criminal justice system for the area. This provision was further supplemented by virtue of the Anti-Social Behaviour, Crime and Policing Act 2014 which provided specific arrangements for the provision of funding for victims.
- Consideration is required to continue to provide financial support out of the base grant allocation of MOJ victim services funding to the below listed partnership organisations in order that they can continue to provide their services as part of the Connect Gwent hub for the 2019/20 financial year. Their work continues to be monitored by the Connect Gwent Hub Coordinator and reports are made to Police and Crime Commissioner and the Strategy and Performance Board. A change has been made to the Children and Young People's services provision which is currently being commissioned through a formal tender process. Once completed this will be submitted for formal decision making by the Police and Crime Commissioner.

3. I have considered the requirements under both Acts of legislation, the current service provision landscape and assessed the Impact on my Police and Crime Priorities for Gwent and have decided that I will continue to provide victim services funding to these partnerships organisations out of the MOJ funding allocation for 2019/20.

Each of these organisations will need to provide me with such Information to reassure me that the funding allocated is being used effectively to provide a service that meets my Policing Priorities for Gwent as stipulated in the Police and Crime Plan 2017-2021.

The arrangements for each award will be set out in a Grant Agreement which includes appropriate terms and conditions, purpose of the award, payment, monitoring and reporting arrangements.

As a minimum, in order to monitor the progress of funded projects, and provide reassurance that funding allocated is effectively meeting Policing Priorities in Gwent, as outlined in the Police and Crime Plan, grant recipients are required to complete a mid-year and an end of year monitoring report which will require the following information to be provided:

- Project Activity
- Project Outputs
- Project Outcomes
- Breakdown of financial expenditure
- Risks
- Learning

Applicant organisations will be required to accept the terms and conditions of the grant which will be outlined in a Grant Agreement and Grant Offer Letter by signing and returning the relevant documentation. Payment of grants is subject to ongoing compliance with the terms and conditions of the grant and satisfactory monitoring and reporting.
