

Police and Crime Commissioner for Gwent Decision	
PCCG-2014-076	Police and Crime Commissioner for Gwent Decision Session
Subject	Police Commissioner's Partnership Fund – Funding Allocation September 2014.
Summary	To record the decision of the Police and Crime Commissioner regarding the allocation of funding from the Police Commissioner's Partnership Fund.

DECISION

1. Previous publication of Decision number PCCG-2013-106 confirmed my intention to establish a recurrent commissioning fund (the Police Commissioner's Partnership Fund) of up to £100,000 to assist organisations involved in activities that reduce crime and anti-social behaviour or divert people away from related activity. For 2014, the amount was increased to £150,000.
2. Following a public application process to the Fund throughout May and June 2014, the Funding Adjudication Panel undertook a rigorous assessment of all bids received by the Office of the Police and Crime Commissioner.
3. As a result of this assessment process, the Panel decided to award funds to the value of £156,951 to the projects listed at Appendix A of this document. In addition to the grants awarded, the Panel also made the decision not to fund a number of projects.
4. It is my intention to run the process again during 2015/16.
