

<b>Police and Crime Commissioner for Gwent Decision</b>	
PCCG-2016-005	Police and Crime Commissioner for Gwent Decision Session
Subject	PACE Community Film on Money Lending Prevention
Summary	To record the decision of the Police and Crime Commissioner regarding the allocation of funding from the Commissioning Fund to the PACE Film Production Organisation.

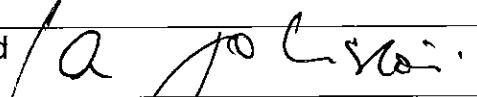

## **DECISION**

1. Previous Decision Logs have confirmed my intention to establish a recurrent Commissioning Fund to assist organisations involved in activities that reduce crime and anti-social behaviour or diver people away from related activity.
2. My Decision Log PCCG-2014-076 identified my decision to award funding to a number of organisations across Gwent in support of activities which impacted on my police and crime priorities that reduce crime and anti-social behaviour or divert people away from related activity. One such organisation was PACE.
3. PACE's bid for £10,000 funding requested assistance to produce a community information film, for wide distribution, to warn people of the dangers associated with illegal money lending. The subject matter was identified as a result of local community consultation related to the proliferation of this type of activity in the north Gwent area  
  
Having successfully passed the assessment process, the organisation was not in a position to access the funds at that time.  
  
They have now completed their research and produced a script for the film and are now requesting that the funds be allocated so that the project might proceed.
4. In line with the results from the original application assessment process and the on-going nature for the need of this public information film, I have decided to award funds to the value of £10,000 from the Commissioning Fund to enable the project to proceed.

**Ian Johnston QPM, Police and Crime Commissioner for Gwent**
