

Police and Crime Commissioner for Gwent Decision	
PCCG-2016-073	Police and Crime Commissioner for Gwent Decision
Subject	Newport – Request to Collaborate as Shared Resource Service Partner
Summary	To record the decision of the Police and Crime Commissioner regarding the proposal for Newport City Council to join the Shared Resource Service (SRS)

DECISION

1. The SRS ambition has always been to expand the provision of services to other Public Sector partners. Newport City Council has completed a business case and has requested to become a partner in the SRS.
2. I note that the addition of Newport City Council as a partner will generate an additional income for the collaborative cost of Strategic and Service Management for the SRS, at a total of £101,152.
3. Consideration has been given to the issues raised within the business case and I am satisfied that the SRS will monitor the impact on performance using its existing Performance Framework Indicators. Staff/team capacity will also be monitored to ensure that there is no detrimental impact on existing service provision and this will be reported back monthly to the SRS Board.
4. I give my agreement for Newport City Council to join the SRS with expected implementation by 1st April 2017.
