

Police and Crime Commissioner for Gwent Decision	
PCCG-2018-004	Police and Crime Commissioner for Gwent Decision Session
Subject	Wings To Fly Programme grant funding for 2018/19 events.
Summary	The purpose of this paper is to record the decision to provide financial support to the Wings To Fly programme across Gwent from the Commissioning Fund.

DECISION

1. The Wings to Fly production forms part of the Drugs and Substance Misuse strand of the All Wales School Liaison Core Programme. As well as live performances, Year 6 pupils (10-11 year olds) benefit from follow up lessons related to drug education delivered by School Community Police Officers. Wings To Fly links to and complements the following priorities identified by the Police and Crime Commissioner:
 - Prevention of Crime
 - Protecting people from serious harm
 - To take more effective action to tackle anti-social behaviour.
2. I have decided that I will provide financial support to the Wings To Fly events for technical support, refreshments and transport for respective schools to attend. The maximum estimated overall cost is £15,000 based on previous year's expenditure for the programme.

I have agreed that the individual suppliers will invoice my office directly.
3. The grant is provided as part of my commissioning activity for the 2018/19 financial year on the basis that I will receive such information as necessary to reassure me that the grant funding has been used effectively to provide a service that supports my Police and Crime priorities.

Jeff Cuthbert B.SC., MCIPD, Police and Crime Commissioner for Gwent

I confirm I have considered whether or not I have any personal or prejudicial interest in this matter and take the proposed decision in compliance with my code of conduct. Any such interests are recorded below.

The above request has my approval.
