

Police and Crime Commissioner for Gwent Decision

PCCG-2015-026	Police and Crime Commissioner for Gwent Decision Session
Subject	Race Council Cymru Funding Allocation 2015/16
Summary	To record the decision of the Police and Crime Commissioner regarding the allocation of funding from the Commissioning Fund to the Race Council Cymru.

DECISION

1. Previous Decision Logs have confirmed my intention to establish a recurrent commissioning fund to assist organisations involved in activities that reduce crime and anti-social behaviour or divert people away from related activity.
2. One such project, proposed by the Race Council Cymru, seeks to identify and engage with the members of the Black, Asian, and Minority Ethnic (BAME) communities in the areas of Gwent where the greatest need is perceived.

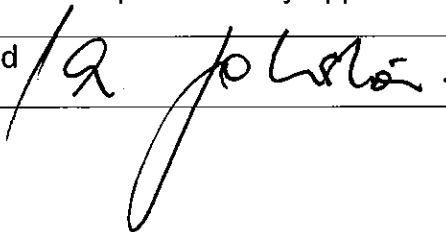

The intention of the project is to improve the links, trust and confidence in the police and the Office of the PCC (OPCC) amongst the established and emerging communities, with specific focus on those perceived as the hardest to reach.
3. Having assessed the application, I have decided to award funds to the value of £10,000 to the project.

Ian Johnston QPM, Police and Crime Commissioner for Gwent

I confirm I have considered whether or not I have any personal or prejudicial interest in this matter and take the proposed decision in compliance with my code of conduct. Any such interests are recorded below.

The above request has my approval.
