

# SAY NO TO VIOLENCE STICKER COMPETITION

The Knife Angel has arrived in Gwent. The Knife Angel is a 27-foot-high sculpture made from thousands of blunt knives that have been collected by the police. It has been created to make us all think about the harmful effects that violence, including knife crime, can have on people.

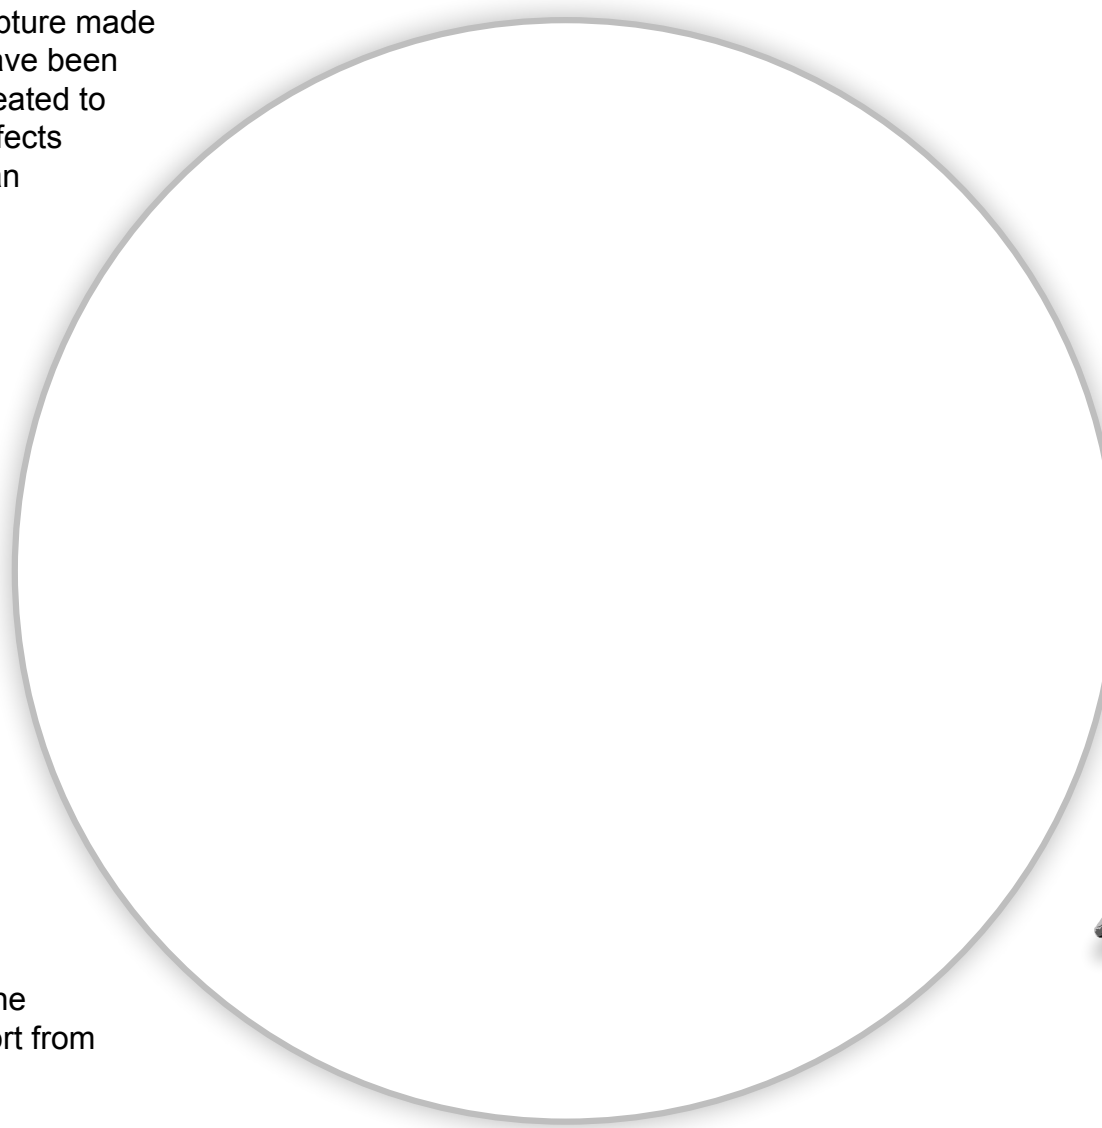

We need your help design a sticker that lots of people can wear to show their support and 'say no to violence'.

All you need to do is:

- Think about what violent behaviour is, and why you want it to stop?
- Draw and colour your design in the circle.

The top three designs will receive a voucher and the overall winner will have their stickers designed and printed. They will be worn by hundreds of children and young people at events over the next year.

You can see the Knife Angel itself at the Friars Walk shopping centre in Newport from Wednesday 2 November until Tuesday 29 November.
