PCCG-2017-047	Police and Crime Commissioner for Gwent Decision
Subject	Additional Funding for Positive Futures for 2017/18
Summary	To record the decision of the Police and Crime Commissioner regarding the provision of additional funding to Positive Futures for 2017/18

DECISION

1. Further to the grant funding allocations set out in Decision Log PCCG-2017-003, I have agreed to award an additional sum of £40,000 for the year 2017/18 to the Positive Futures youth inclusion sports project in Gwent to cover staffing costs associated with the regional roll-out of the programme.
2. This sum is supplemental to the £101,000 included in the above Decision Log and forms part of the Grant Agreement to prevent and divert young people from involvement in anti-social behaviour and crime.
3. Under the terms of the Grant Agreement, the organisation is required to provide the Office of the Police and Crime Commissioner with information to reassure that the funding allocated is being used effectively in providing a service that meets my Police and Crime Priorities for Gwent as set out in my Police and Crime Plan.
