

Police and Crime Commissioner for Gwent Decision	
PCCG-2025-030	Police and Crime Commissioner for Gwent Decision session
Subject	Serious Violence & Organised Crime - Interventions Funding 2026/27
Summary	To record the decision to provide grant funding to organisations working with Gwent Police to deliver interventions relating to Serious Violence and Organised Crime during the financial year 2026/27.

DECISION

1. The Police Reform and Social Responsibility Act 2011 provides under sections 9 and 10 that the Police and Crime Commissioner for a police area makes crime and disorder grants and acts in co-operation with responsible authorities and makes arrangements with criminal justice agencies for the exercise of functions, so as to provide an efficient and effective criminal justice system for the area.
2. Based on the SVOC objectives for 2023/2024, a process was instigated to allow proposals to be submitted for the continued delivery of interventions in 2026/27. The proposals have been received and reviewed by my Office.
3. I have considered the requirements under the Act; the recommendations made by my office and assessed the impact on my Police Crime and Justice Plan priorities for Gwent and have decided that I will provide funding, to the following organisations:
 - St Giles Trust - £142,257**
 - To deliver one to one crisis intervention to young people and their families, at risk of involvement or involved in serious violence and organised crime.
 - Crimestoppers Trust - £67,525**
 - To deliver the Fearless Programme to Year 7 pupils in educational establishments; provide targeted support to schools in hotspot areas where serious violence or organised crime is an issue; and to introduce one 'Crimestoppers Zone' in each of the 5 Gwent local authority areas.

In order to fulfil on my commitments, I have considered the requirements under the Act as well as the priorities outlined in the Police Crime and Justice Plan and have allocated an amount of **£209,782** to contribute to the delivery of the

interventions above that deliver on the priority of reducing serious violence and organised crime in Gwent.

4. The arrangements for each award will be set out in a Grant Agreement, which includes appropriate terms and conditions, purpose of the award and payment, monitoring and reporting arrangements.

As a minimum, in order to monitor the progress of funded projects, and provide reassurance that funding allocated is effectively meeting policing priorities in Gwent, as outlined in my Police Crime and Justice Plan, the grant recipients are required to complete a mid-year and an end of year monitoring report which will require the following information to be provided:

- Project Activity;
- Project Outputs;
- Project Outcomes;
- Breakdown of financial expenditure;
- Risk; and
- Learning.

Where my office recommended additional conditions over and above the standard terms and conditions, (in order to gain assurance and clarity in relation to project deliverables and outcomes); these will be monitored in addition to the minimum monitoring and reporting requirements and where appropriate and proportionate, have been linked to the release of funding.

Successful projects will be required to accept the terms and conditions of the grant, which will be outlined in a Grant Agreement and grant offer letter, by signing and returning the relevant documentation prior to any funding being released.
