

Police and Crime Commissioner for Gwent Decision	
PCCG-2018-003	Police and Crime Commissioner for Gwent Decision Session
Subject	Estate Strategy
Summary	To record the decision of the Police and Crime Commissioner regarding the publication of his Estates Strategy.

DECISION

1. To support operational service delivery, the Office of the Police and Crime Commissioner for Gwent (OPCC) and Gwent Police require an estate that is fit for purpose. This strategy seeks to provide an assessment of the current estate against the policing and public requirements. It outlines the vision for the estate and sets the objectives and direction for its future.
2. My strategy has been discussed and developed in conjunction with Gwent Police via my Estate Strategy Board and Estate Implementation Group. I presented the strategy to the Joint Audit Committee and the Gwent Police and Crime Panel in December 2017 for their consideration and comment. Any agreed amendments have been incorporated.
3. The strategy will be a living document and will be amended, as necessary, to ensure that the policing and public requirements, as they change in the future, will continue to be its foundation.
4. It is important that the public are aware that where there is currently a police presence, this will not be withdrawn although relocation of premises within the vicinity may occur as we look to reduce costs and share buildings with partner organisations.
5. I am satisfied that the strategy is now ready for publication and I will make it available on my website in both English and Welsh.
