

<b>Police and Crime Commissioner for Gwent Decision</b>	
PCCG-2016-002	Police and Crime Commissioner for Gwent Decision Session
Subject	Police Commissioner's Positive Impact Fund
Summary	To record the decision of the Police and Crime Commissioner regarding the allocation of funding from the Positive Impact Fund to the Gwent Police Choir in the 2016 / 17 financial year.

## **DECISION**

1. 

Previous Decision Logs have confirmed my intention to establish a recurrent Positive Impact Fund to assist organisations involved in activities that reduce crime and anti-social behaviour or divert people away from related activity.

Due to the Police and Crime Commissioner elections being held in May 2016, it has been agreed that the current Commissioner is able to have a proportion of the Positive Impact Fund for 2016/17 relating to his term of office for that financial year. The Chief Finance Officer has therefore agreed that the total sum of monies allocated to the current Commissioner for 2016/17 is £1,500.
2. 

The Gwent Police Choir provides support to numerous charitable causes across the country and provides a positive image of Gwent Police in the community and organisations they perform for.

Whilst the Choir is a not for profit organisation, there is a significant cost in being able to provide these activities all year round. Whilst they work hard to fund raise to cover their costs, they sought further support from the Police and Crime Commissioner for the sum of £1,500 to support them in their activities and particularly in running an annual concert in the Autumn of 2016.
3. 

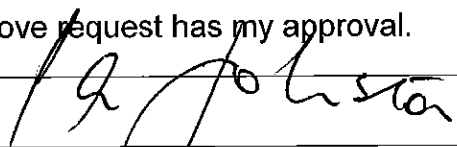

Having assessed the application, I have decided to award funds to the value of £1,500.00 to the project to support their programme of events throughout 2016.
