Summary	To record the decision of the Police and Crime Commissioner regarding the partnership agreement for the multi-agency missing children team.

DECISION

1. The Gwent Multi-Agency Missing Children Partnership was established to create, manage and deliver a service to improve the multi-agency response to missing and runaway children and young people in Gwent by working collaboratively to share information, assess risk and commission independent debrief interviews.
2. The partnership includes Gwent Police, Aneurin Bevan Health Board, Newport City Council, Blaenau Gwent County Borough Council, Torfaen County Borough Council, Monmouthshire County Council and Caerphilly County Borough Council.
3. It has been agreed that the Partnership would be an equal one in its commitment to continuing to support, resource and champion the project. Gwent Police are the lead organisation in relation to holding and administering the grant awarded by the Big Lottery Fund.
